

CONSULTANT & CONTRACTOR MINIMUM REQUIREMENT GUIDELINES

Electrical Services Guidelines

CONTRACTOR AND CONSULTANT REQUIREMENTS

All contractors and consultants must demonstrate the following:

- evidence of participation in training programs, including safety training, to ensure knowledge and skills are kept up to date with industry changes and related standards
- experience working on projects with complex infrastructure in campus-style environments, including client-controlled systems and services

CONTRACTORS

Electrical contractors must demonstrate the following:

- evidence of a current Electrical Contractor's Licence
- evidence of a current Electrician's Licence or key personnel
- experience with system and integrated system commissioning
- proprietary/vendor systems endorsements including vendor warranty

CONSULTANTS

Electrical consultants must demonstrate the following:

- HV/LV experience
- electrical or electrical engineering qualifications and affiliations
- a minimum of 5 years' experience delivering services in a similar context
- experience in delivering specific types of infrastructure integrated systems (e.g. Schneider)
