Plug in your headphones and take a tour of the gardens, artworks and murals on campus.

From the Japanese Sound Garden you can do a sound walk to the Spiritual Garden taking in a few artworks along the way rather than listening to the individual audio descriptions. Tune in here [https://goo.gl/3521s](https://goo.gl/3521s). Many thanks to Anthony Karro, Tim Count and Damon Lockwood for their assistance with this project.
